Summary

I am a motivated research scholar in Mathematics with a interest in theoretical physics, cosmology, and computational Astrophysics. Currently pursuing a PhD, my research focuses on Astrophysical objects.

Education

Kuvempu University

PhD in Relativity and Cosmology • Shimoga

10/2027

Central University of Kerala

M.Sc (Mathematics) • Kasargod

08/2022

Graduated with 8.75 CGPA

Presented a project on the topic of "Black Scholes model in stock market."

Sahyadri Science college

B.Sc(Physics, Maths, Chemistry) • Shimoga

12/2020

Graduated with 80.2%.

Volunteer in pathways training and placement cell for three years.

Skills

Relativity theory, Tensor Calculus, Differential Equations, MATLAB

Certifications:

CSIR-JRF

GATE(MA)

Karnataka State Eligibility test(K-SET))
