Nagpur, Maharashtra-440013, India

OBJECTIVE

Seeking a challenging research position in Computational Astrophysics to leverage my expertise in Comprehensive X-Ray and Multi-wavelength SED Analysis of Galaxy Clusters, Black holes, Neutron Star binary systems and other cosmic entities. Aiming to contribute to this field at the intersection of Astronomy and computational problem-solving in fields such as Cosmology, Dark Matter, Dark Energy, General Relativity, etc. Currently working on Strongly lensed galaxy clusters and seeking a teaching position(Professor/Lecturer) along with research.

EDUCATION

- Institute of Science, Nagpur** Aug 2024- May 2026
M.Sc. Physics(Currently 2nd Year 4th Sem) Maharashtra,India
 - CGPA: 8.97/10.00
- SRM Institute of Science and Technology,Potheri,Kattankulathur** Sept. 2021- May 2024
B.Sc. Physics Chennai,Tamil Nadu,India
 - CGPA: 9.43/10.00
- Bhavans B.P. Vidya Mandir, Ashti** July 2021
12th/SSCE Nagpur, India
 - Percentage: 94.4%
- Bhavans B.P. Vidya Mandir, Ashti** May 2019
10th/AISSE Nagpur, India
 - Percentage: 92%

PROJECTS

- Project A: Predicting Stars, Galaxies and Quasars using ML** Jun 2024
Tools: [Python and ML]
- Project B: Sunspot Prediction using Machine Learning** July 2024
Tools: [Python and ML]
- Project C: Exoplanet Hunting using Machine Learning** July 2024
Tools: [Python and ML]
- Project D: Modelling of Neutron Star using Python** Jun 2024
Tools: [Python and ML]

SKILLS

- Programming Languages:** Python, Scilab, GNU Octave, Matlab
- Astronomical and Astrophysical softwares:** CIAO, DS9, XSPEC, XIMAGE, CIGALE
- Web Technologies:** HTML
- Database Systems:** MySQL
- Data Science & Machine Learning:** Programming, Data visualization, Deep learning, Mathematical statistics, Data manipulation and analysis, Data modeling
- Specialized Area:** Data Analysis, X-Ray Astronomy, Data Visualization, Computational Astrophysics
- Mathematical & Statistical Tools:** Regression, Correlation Analysis, Time series analysis, Distribution Functions, Chi-square test
- Research Skills:** CIAO X-Ray Analysis, X-Ray Spectral Fitting, SED fitting, Imaging Analysis

HONORS AND AWARDS

- AASCON Merit Scholarship Award of 20,000/- rupees** April 2026
Institute of Science, Nagpur
- 2nd Rank Topper of B.Sc Physics** May 2024
SRM University, Chennai
- 2nd School Topper of 12th CBSE Board** April 2021
BVM Ashti, Nagpur
- Qualification for National Level Science Exhibition** March 2020
INSEF, Bangalore
- Solo Presentation in an International Maths Conference** Jan 2018
AIMER, Goa

INTERNSHIP EXPERIENCE

- **Space Science Internship** Jan 2025 - Mar 2025
Agnirva
- **Machine Learning Internship** Feb 2025 - April 2025
Agratas EduTech
- **Astronomy and Astrophysics Research Internship** Jan 2026 - Mar 2026
India Space Academy

VOLUNTEER EXPERIENCE

- **Anchoring in Events** 2018 - 2025
BVM Ashti, SRM Chennai, Institute of Science Nagpur
- **Backstage volunteering** 2018 - 2026
BVM Ashti, Institute of Science Nagpur

CONFERENCES, EXHIBITIONS AND WORKSHOPS

- **State and National Level Science Exhibition** March 2020
INSEF, Belgaum and Bangalore
- **Group and Solo Presentation in AIMER International Maths Conference** 2018 - 2020
AIMER Pune and Goa

CLUBS EXPERIENCE

- **Secretary, Physics Society** Aug 2025-May 2026
Institute of Science Nagpur
- **Innovation Coordinator, Institute Innovation Council** Dec 2024-May 2026
Institute of Science Nagpur
- **Operations Team Member, Institute of Science Science Activity Club(ISSAC)** Jan 2025 - May 2026
Institute of Science Nagpur
- **Club Member, PR Team Member, Anchor of Astrophilia Club** 2023 - 2024
SRM University Chennai

CERTIFICATIONS

- **Astronomy Image Colorization using GANs** May 2025
Spartificial, Udemy
- **Complete Tableau Space Data Analysis and Visualization** May 2025
Spartificial, Udemy
- **Rooftop Solar Panel Detection using Deep Learning** July 2024
Spartificial, Udemy
- **Python for Astronomers and Astrophysics** July 2024
Sachin C, Udemy
- **Astronomy Research Data Analysis using Python** Jun 2024
Spartificial, Udemy
- **The Big Bang Mirage: Astronomy, Astrophysics and Cosmology** Apr 2025
Glen Charles Cole, Udemy

ADDITIONAL INFORMATION

Languages: English (Professionally fluent), Hindi (Professionally and socially fluent), Bengali (Native Fluency)

Interests: Reading, Photography, Walking, Researching about various cosmic objects, Python Modeling and Simulation
