2022	CBSE (X)	G.K. Shetty Vivekananda Vidyalaya	83%

Experience

- Astronomy and Astrophysics Summer School – Online Internship | Indian Space Academy | Summer 2025 | 4 Weeks (120 Hours)
 - Completed intensive training focused on data-driven astronomy and modern astrophysics concepts.
 - Participated in project-based learning involving astronomical data analysis.
 - Gained exposure to AI and Machine Learning applications in space science.

Certifications

- AI and Machine Learning in Space Science – Indian Space Academy (Certificate expected)

Technical Skills

- Programming: Java
- Data & Research Skills: Data-driven analysis, Scientific literature review
- Tools: Microsoft Excel, Presentation tools

Key Courses

- Mechanics
- Properties of Matter
- Modern Physics
- Electricity and Magnetism
- Solid state physics
- Sound and acoustics
- Heat and thermodynamics S
- Object Oriented Programming (Java)
- Mathematical Methods in Physics

Areas of Interest

- Astronomy
- Astrophysics
- Computational Astrophysics
- AI & Machine Learning in Space Science

Positions of Responsibility

- Club Member – VIT Dance Club

Seminars and Workshops

- Seminar Presentation: Psychology Behind Stereotyping and Prejudice
- Seminar Presentation: Case Study on the Fate of the Universe
- One-day Workshop: "Exploring Research Careers Beyond Academia"
- Institute of Physics Outreach of Physics 2026.
